

Mayank Chandel

Web Developer

I believe the World Wide Web is the greatest thing the human race has ever developed, and I'm proud to contribute towards its ongoing development by building quality Web sites and promoting accessibility and usability. I have a keen interest in self development and I like to employ the scientific method to everything that I do by making choices based on research and evidence.

Education

Bachelor of Technology, Computer Science and Engineering, expected graduation 2018, Guru Nanak Dev Engineering College, Ludhiana.
